NORTHERN TERRITORY

The Northern Territory offers an incredible range of diverse activities and experiences. Experience iconic national parks, waterfalls, ancient culture and unique wildlife. There are extraordinary landscapes of desert plains, weathered mountain ranges, rocky gorges and some of Australia's most sacred sites.

ULURU

A trip to the Red Centre would not be complete without a visit to its star attraction. Uluru is a sight to behold, and there are many unique ways to see it. Walk the base to discover the hidden caves and waterholes. Get a bird's-eye view from a helicopter. Dine under star filled skies with Uluru as a backdrop.

ALICE SPRINGS

The hub of Central Australia, Alice Springs has a modern and vibrant feel. Explore the Overland Telegraph Line and Old Ghan Railway and see how the Royal Flying Doctor Service has changed so many lives. Beyond Alice Springs, marvel at the MacDonnell Ranges and Karlu Karlu (Devils Marbles) boulders.

DARWIN

The Territory's tropical capital is buzzing with activity. Darwin's balmy nights are perfect for harbourside activities and stunning sunsets. Explore rich history and Aboriginal culture at one of the many art galleries, ride the swell at the Wave Lagoon and soak up the outdoor lifestyle at the Waterfront Precinct.

KAKADU

With a World Heritage-listed national park as your playground, the options to experience Kakadu are endless. Cascading waterfalls, rugged escarpments, aboriginal rock art, giant crocodiles and exotic birdlife, are just some of the drawcards of this pristine wilderness area. Take a day tour from Darwin or stay a night or two to fully explore.

LITCHFIELD NATIONAL PARK

Just a short drive from Darwin, Litchfield National Park is a must-see for anyone visiting the Top End. A favourite with locals, the park's ancient landscape was shaped by water. Home to stunning waterfalls, magnetic termite mounds and weathered sandstone pillars, it also boasts scenic walking trails and 4WD tracks.

NATURAL WONDERS

The Territory is home to some of the most fascinating natural wonders in the world. Uluru is Australia's most recognisable natural icon. Kata Tjuta's 36 rock domes offer an astounding sight as does the 270 metre high chasm of Kings Canyon and the towering sandstone cliffs Nitmiluk (Katherine) Gorge.

TOP END WILDLIFE

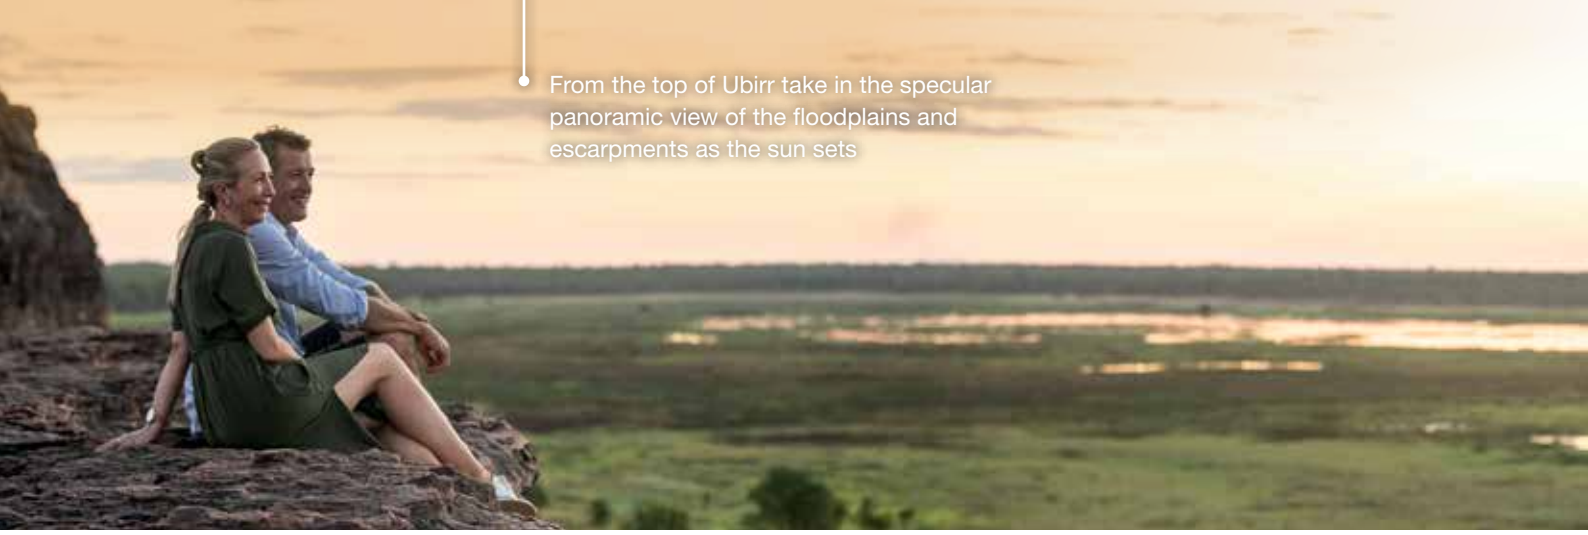

Watch huge Saltwater crocs enjoy their lunch, or for the brave, jump into the Cage of Death and experience the thrill of an up close encounter at Crocosaurus Cove. Take a Yellow Water Cruise in Kakadu to catch crocodiles in the wild, as well as a variety of wildlife including horses, buffalo and birdlife.

ABORIGINAL CULTURE

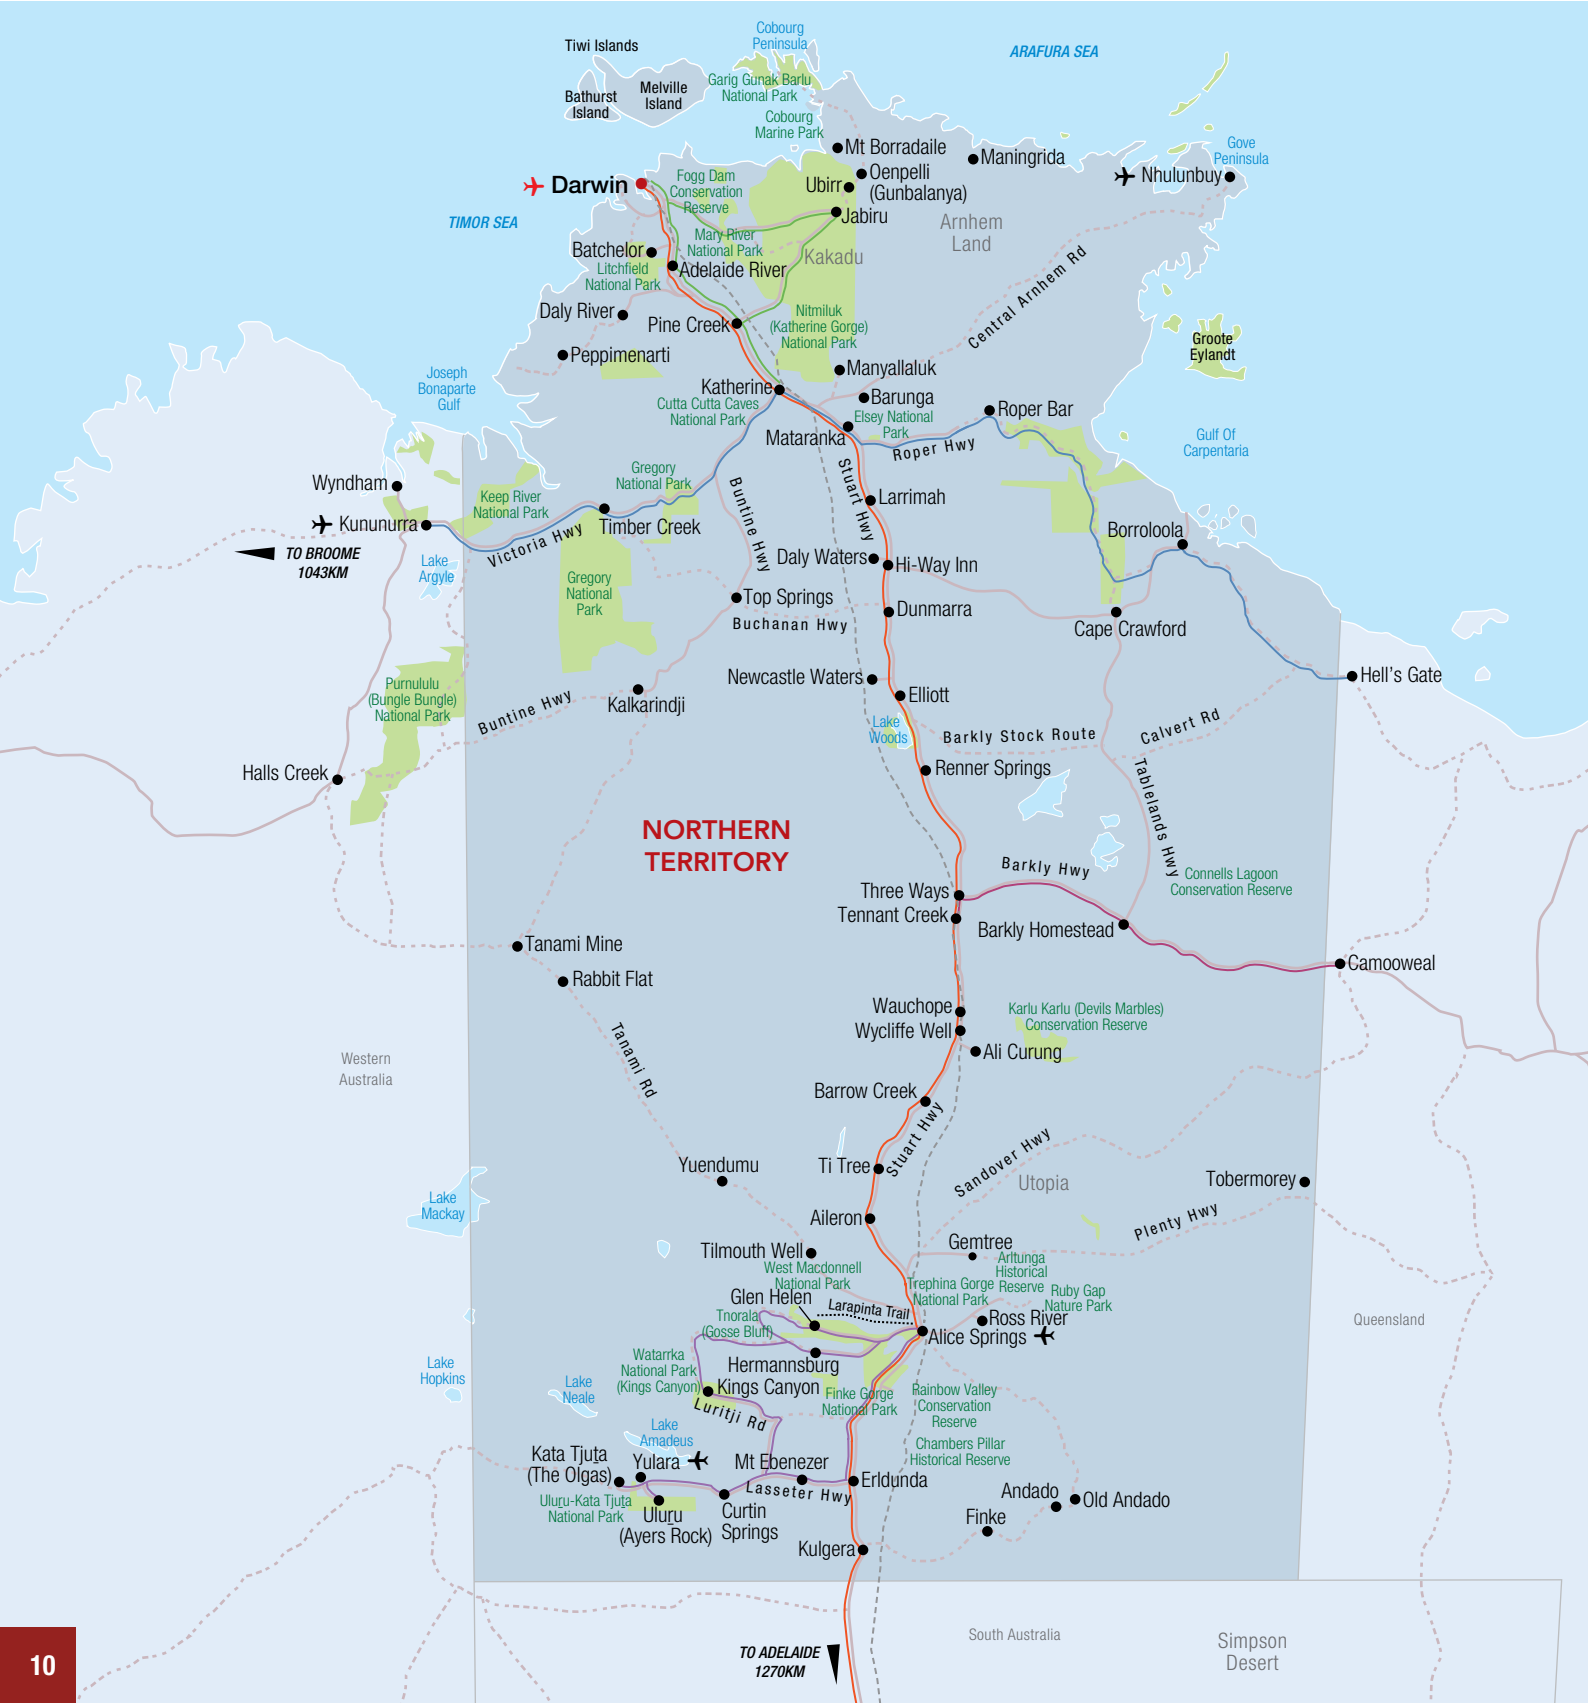

Experience Indigenous culture in the Territory. Discover Aboriginal rock art at Nourlangie Rock and Ubirr in Kakadu. Visit art markets, have morning tea with a group of Tiwi women elders in the Tiwi Islands. Join a guided walk of Uluru's sacred sites and hear stories of traditional Anangu life.

NATIONAL PARK WATERFALLS

The Top End is home to some of the most spectacular waterfalls. Don't miss the Southern Rockpool in Nitmiluk National Park. Swim beneath Litchfield National Park's magnificent Wangi Falls. In Kakadu, see the split cascade of Twin Falls and the raging waterfall at Jim Jim.

From the top of Ubirr take in the specular panoramic view of the floodplains and escarpments as the sun sets

TRAVEL TIPS

WHEN TO GO

The Top End has two distinct seasons, the green season (November to April) and the dry season (May to October). The dry season generally has dry sunny days with cooler nights while the green season is characterised by high humidity, monsoonal rains and storms and is the best time to see waterfalls.

The climate in The Red Centre is one of extremes with hot summers, cold winters and very little rain all year round.

GETTING AROUND

BY RAIL

Take the ultimate journey through the heart of Australia on The Ghan. This amazing rail journey begins in Adelaide and traverses the Red Centre, passing through Alice Springs and Katherine before concluding in Darwin in the Top End (also operates in reverse). See page 7 for more details.

BY CAR

Take the time to explore and discover as you make your way through the Northern Territory by road. We offer a selection of suggested driving itineraries, providing you with the freedom to see the Northern Territory at your own pace. Refer to the Self Drive Holidays starting on page 16 for more details.

Speed limits apply in all urban areas and highways of the Territory. Travellers should drive at a speed that suits the road, vehicle, weather conditions and their driving experience. Avoid driving after dark as cattle and wildlife often congregate alongside outback highways.

NATIONAL PARKS PASSES

All visitors must purchase a pass prior to entering most parks. As this fee is not payable directly to the hotel or tour operator and because there are a number of different options available, this fee is not included in the prices featured on individual accommodation and tour listings in this brochure, unless otherwise specified. Park passes can be purchased online at <https://nt.gov.au/parks/parks-pass.au>, where you can also find full details of the various options available for purchase.

ABORIGINAL LAND ACCESS

Driving over Aboriginal owned land and access into Arnhem Land is restricted. Visitors must apply for a permit from the Northern Land Council or alternatively choose a tour where operators have permission from the traditional owners to enter their land.

ABORIGINAL CULTURE

Almost one quarter of the Northern Territory's population are Aboriginal people and approximately half of the Territory is Aboriginal owned land. Family business and ceremonies are important to Aboriginal people and these matters take priority, which may alter scheduled tours or restrict access to sites with spiritual significance.

SWIMMING

The Northern Territory has many safe places to swim, including local nature reserves and in some national parks. Salt and Freshwater crocodiles are found in most Top End billabongs and rivers, and are occasionally seen on remote beaches. This is generally sign-posted, but if you are unsure, don't swim. Beach swimming is not recommended from October to April due to marine stingers.

The Northern Territory has countless amazing things to see and do. Here are some of our favourites to inspire your wanderlust.

Uluru

TAKE FLIGHT OVER ULURU & KATA TJUTA

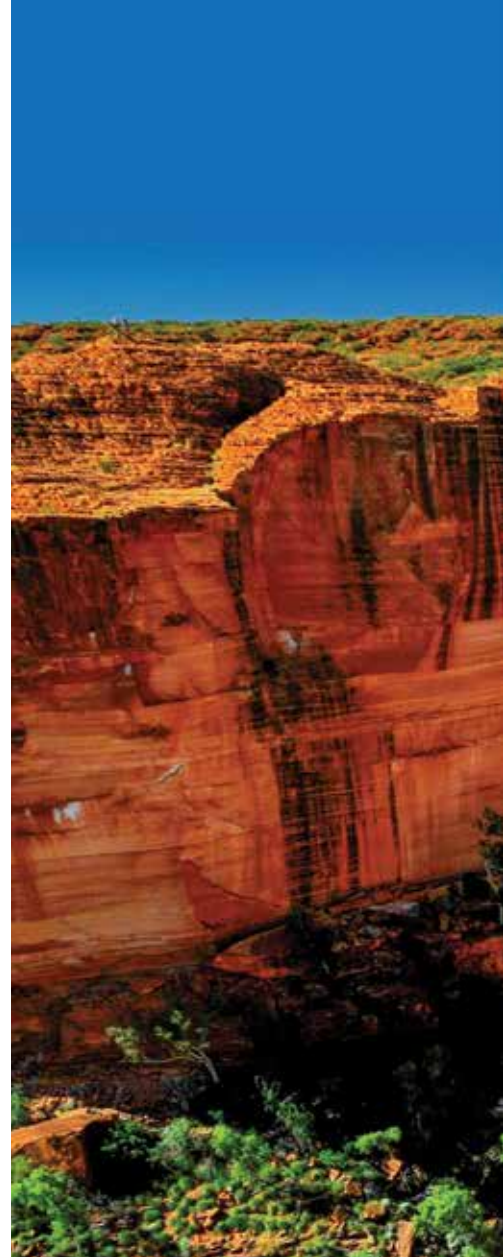

Take to the air for a bird's-eye view of Uluru and Kata Tjuta. A scenic helicopter flight provides a once-in-a-lifetime opportunity to see the full expanse of these two majestic natural wonders as so much of these sacred sites is off-limits from the ground. Choose a sunrise or sunset flight and marvel as the sunlight plays with the landscape, changing the colours of these mighty rock formations from red to orange and purple. Take a short flight or an extended flight, but whatever you do, don't miss this thrilling experience.

Kings Canyon

KINGS CANYON RIM WALK

Surround yourself with 100 metre high sandstone walls and palm-filled crevices as you step deep into the heart of Kings Canyon. Start early in the day and take in the breathtaking views as you walk along the red rock cliffs on the Kings Canyon Rim Walk. Continue your journey through Priscilla's Crack, made famous by the classic Australian movie, Priscilla, Queen of the Desert. For an easier hike, the Kings Creek trail follows a track between two soaring canyon walls to a lookout point. Be welcomed by spectacular views of the sheer cliff face at the far end of the canyon.

The latest addition to this range of experiences is Wintjiri Wiru which is an immersion into Anangu culture. WEST MACDONNELL RANGES

The West MacDonnell Ranges, stretching 161 kilometres west of Alice Springs, are the perfect backdrop to explore the scenic beauty and history of the area. ULTIMATE ULURU

4 DAYS/3 NIGHTS

Day 1: Friday – Arrive Uluru & A Night at the Field of Light (D)

Be met on arrival at Ayers Rock Airport and transferred to your hotel. The remainder of the day is at leisure.

Get to know your fellow travellers and tour leader over a drink in the Walpa Lobby Bar, before tonight's exclusive welcome dinner. Transfer to a remote desert location to enjoy gourmet canapés and chilled sparkling wine, as you take in the breathtaking Uluru sunset. As darkness falls, watch in awe from the top of your private dune as a fantasy garden, featuring 50,000 spindles of light, gently comes to life.

Then join your fellow travellers for an exceptional three-course menu infused with bush tucker flavours. After dinner, immerse yourself in the stunning art installation, Field of Light, its pathways glistening softly with rhythms of coloured light, beckoning you to explore at your own pace. This will be a truly magical evening.

Day 2: Saturday – Uluru Highlights and Sacred Sites Flight (BD)

It will be worth the early wake-up call this morning, to experience the tranquillity of the pre-dawn outback and watch the stunning metamorphosis of colour as the desert slowly comes alive. Travel to a special location to watch the sun rise over Uluru and enjoy an outback picnic breakfast. Once the sun is up, visit Mutitjulu Waterhole on the Kuniya Walk. After this short walk, drive around the base of Uluru and hear the story of the Mala people.

Next, head to the Uluru Cultural Centre where you'll support the local community and deepen your understanding of Uluru-Kata Tjuta National Park. Here you can learn about Anangu culture and the park's natural environment through exhibits and presentations with Anangu and park rangers.

This afternoon, get ready for the ultimate adventure and experience the true majesty of Uluru and Kata Tjuta from the air. Fly by Uluru and across to the spectacular domes of Kata Tjuta for a view that will leave you speechless. So much of these sacred sites is off-limits from the ground, so the only way to truly appreciate the vast size and amazing landscape is from the air.

Late afternoon, be whisked away to a dune top location and sip delicious cocktails, while watching the changing colours of Uluru and Kata Tjuta as the sun slowly sinks below the horizon. Take your seat in the open-air desert theatre and embark on a culinary adventure with a gourmet dinner hamper. Prepare to be amazed as Wintjiri Wiru, Uluru's breathtaking new light and sound show, brings to life a chapter of the Mala story of the Anangu people. Watch in awe as the night sky comes alive with choreographed drones, lasers and projections taking flight to light up the night sky.

Day 3: Sunday – Kata Tjuta and Tali Wiru (BD)

An early start this morning to experience the magnificence of a Kata Tjuta sunrise. On arrival at the viewing area, walk to the best vantage point to see the 36 domes that comprise this spiritual place, watching as the sun's morning glow brings the desert to life. The tour then heads to the western side of Kata Tjuta where you'll enjoy an outback picnic breakfast. Approaching the entrance to Walpa Gorge, your guide will share the significance of this men's sacred ceremonial site.

Return to the hotel, the remainder of afternoon is free.

Tonight's final dinner will be an exceptional experience. Tali Wiru, meaning 'beautiful dune' in local Anangu language, encapsulates the magic of fine dining under the Southern Desert sky.

Every course of this four-course dinner is infused with ancient native herbs and spices, constructed to respect, and put a spotlight on the quality and attributes of each ingredient, bringing them together in harmony. Enjoy premium Australian wines while an indigenous storyteller shares the culture, history and spirituality of this beautiful land. This is so much more than a dining experience; it's a moment in time you will remember forever.

Day 4: Monday – Uluru (B)

Enjoy a final leisurely breakfast before transferring to the airport for your flight home.

BY RAIL

Take the ultimate journey through the heart of Australia on The Ghan. This amazing rail journey begins in Adelaide and traverses the Red Centre, passing through Alice Springs and Katherine before concluding in Darwin (also operates in reverse). Take the Indian Pacific, traversing coast to coast from Perth to Adelaide to Sydney.

BY CAR

Take the time to explore as you make your way around South Australia by road. Discover rugged national parks, beautiful beaches and country towns from the comfort of your rental car. See pages 54 and 55 for car hire options.

Driving conditions in South Australia are varied. Take care when travelling in remote areas during summer, as temperatures in Outback Australia can reach over 40°C. Avoid driving after dark as cattle and wildlife often congregate alongside outback highways at night. Major roads on Kangaroo Island are sealed, however the majority of roads are unsealed and require reduced speed and caution. Travellers should drive at a speed that suits the road, vehicle and weather conditions.

BEACH SAFETY

Australia has some of the world's best beaches, however care and caution should be exercised at all times. Please remember to swim between the red and yellow flags and listen to instructions from lifesavers and lifeguards.
